

Pleasant Pond – Cobbosseecontee Stream Lake Association (PPCSLA)

2026 Membership Drive

The **Pleasant Pond – Cobbosseecontee Stream Lake Association (PPCSLA)** is dedicated to protecting and preserving the health of our lake and stream through habitat protection, managing **aquatic invasive species (AIS)**, improving water quality, and fostering sustainable recreational opportunities.

How you can help support our mission:

1. **Join and Donate:** Every dollar counts. Your donation beyond the **annual dues of \$25** goes to our **AIS Control Fund** to help us pay for **courtesy boat inspections, aquatic invasive species surveys and removal**. Your donation is fully tax deductible!
2. **Share:** Encourage your neighbors, friends, and family to become members of PPCSLA. Your advocacy can amplify our impact. **Visit our website to learn more about our association.**
3. **Get involved!** The PPCSLA has many ways you can volunteer to support our mission.

URGENT SUPPORT NEEDED! 3 Aquatic Invasive Species Infest Our Pond and Stream

Variable-Leaf Milfoil

Swollen Bladderwort

European Frogbit

We must act to control these species because they:

- Rapidly take over native habitats
- Displace our native species, which can affect other species breeding habitats
- Reduce water quality
- Make boating, fishing, and swimming difficult.
- **LOWER YOUR PROPERTY VALUES!**

Join Us in Protecting Our Beautiful Lake and Stream!

Thank you for joining the PPCSLA today! Your membership in the PPCSLA and **generous contributions to the AIS Fund** are the lifeblood of our association. Together, as one community, we can build a vibrant lake association, engage in fun community activities, and educate each other, all while protecting and preserving Pleasant Pond and Cobbosseecontee Stream for all to enjoy and celebrate long into the future. **Special thanks to those folks who have already joined in 2026! Welcome, friends!**

With much gratitude,

Greg Anderson, President, PPCSLA
